

A Message From The Sommelier Team

From the very beginning, when Sierra Mar opened its doors in 1992, Post Ranch Inn dreamed of developing an award-winning cellar that would allow for the perfect presentation of world class wines.

Instituted by Tony and Trish Perraults, and Wine Director Dominique Da Cruz, Post Ranch Inn's wine cellar takes its inspiration from the incredible local ingredients found in the nearby ocean, ranch and forest, building a strong foundation of celebrated and highly sought after classic European producers. Fans of the Loire Valley, Bordeaux, Burgundy and the Rhone Valley in France will find paradise combing through our selections, with many bottles having been stored here since release, undisturbed in our cellars shrouded in the cool, coastal Big Sur climate.

Today we are focused on the wine region we call home, the Santa Lucia Highlands, and our neighbors, the Santa Cruz Mountains and Paso Robles, while naturally featuring a deep cellar of Napa and Sonoma to offer you a greater palate of California fine wines. We are also intent on supporting, and championing those winemakers who are committed to responsible farming and winemaking.

Dedicated to rare and exceptional fine wine, Post Ranch Inn has been a Wine Spectator Grand Award holder since 2012, currently offering over 3,200 wine selections. We invite you to peruse the list and take a trip around the world, or skip it all together and let us guide your experience.

Thank you,
Matthew Peterson, Sommelier
Erik Latshaw, Sommelier

Corkage Policy

We allow two 750 mL bottles per reservation. The service is \$55 per 750mL equivalent.

December 2021 Update

Exciting news! The Sierra Mar Wine Cellars are getting an upgrade, as two brand new wine cellars are set to be completed in the new year of 2022. The Sommelier team has built a diverse, living wine list during this time.
